CAGAYAN DE ORO

# Finding Partners and Securing their Support for Senior High School

# INDUSTRY DIALOGUES

- The **Industry Dialogue** is spearheaded by the Local Executive Department, through the *Technical Education, Skills Development and Employment Committee* (TESDEC);
- The **Industry Dialogue** is a series of roundtable discussions between the City Government and Local Industries, as stakeholders, providing a venue for discourse on existing concerns, labor market demands, solutions and potential partnerships between the public and private sectors.

# INDUSTRY SURVEY

- An Industry Survey was conducted through the collaborative effort of the City Government, the DepEd Division Office, and Xavier University (Academe), with the support of Synergeia Foundation, Inc. and the League of Cities of the Philippines (LCP);
- The survey was designed as an industry mapping and analysis tool - supplying relevant data in relation to industry skills and employment market and demand, and guiding in the selection of course offerings based on industry needs and potential employability.

# **SENIOR HIGH SCHOOL TECHNICAL WORKING GROUP**

- The **Senior High School – Technical Working Group (SHS-TWG)** was established to look into the preparations and ensure the smooth implementation and transition of the City to the Senior High School Program;
- The **Technical Working Groups** sought, and continues to (1.) engage the active support and participation of the Local Education Stakeholders; and (2.) enhance and maximize resource capacity through Public-Private collaboration.

# USWAG KAGAY-ANON: YES TO SENIOR HIGH SCHOOL!

The City Government of Cagayan de Oro, in partnership with the League of Cities of the Philippines through the *City LEADERS Project*, spearheaded the ***Uswag Kagay-anon: Yes to Senior High School*** .

# **USWAG KAGAY-ANON: YES TO SENIOR HIGH SCHOOL!**

- ✓ The City of Cagayan de Oro as chosen to be one of the pilot cities for the implementation of Senior High School, hosted the Senior High School Summit last April 21, 2015.
- ✓ The City Government, with the leadership Mayor Oscar Moreno in partnership with the League of Cities of the Philippines, made this step possible as one of the preparations for the implementation of the Senior High School in the city.
- ✓ The summit was a gathering to formalize the partnership among stakeholders and establishments who support the program.

# USWAG KAGAY-ANON: YES TO SENIOR HIGH SCHOOL!

The event was graced by no less than the Secretary of the Department of Education, **Hon. Brother Armin A. Luistro FSC**, together with various city mayors from across the country, and representatives from the League of Cities of the Philippines.

A first of its kind Summit, *Uswag Kagay-anon* was geared towards:

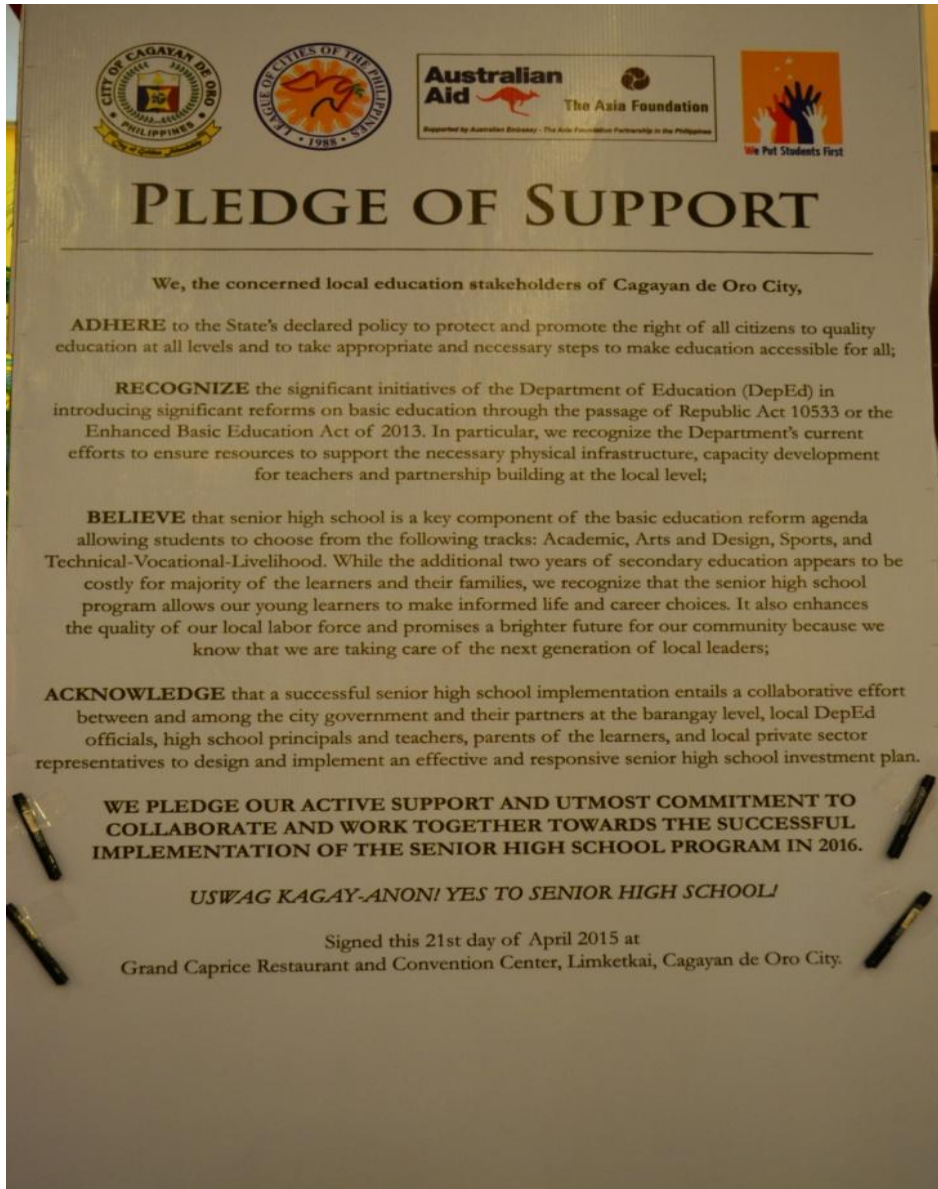

- ✓ Demonstrating that Cagayan de Oro City is gearing up to implement the Senior High School program;
- ✓ Establishing strong partnership with the National Government, various industries and other education stakeholders, for the smooth implementation of the Senior High School in 2016; and
- ✓ Formalizing the partnership with the education stakeholders, through the signing of support for the Senior High School.

Present were the representatives from the different establishments and industries who would want to invest what they have for the senior high school. Also present were participants and delegates who were very eager for the summit were the Department of Education officials and public servants, CHEd representative, city councilors, barangay captains and councilors, teachers, students, media, and other members of the civil society

# COMMITMENT SIGNING

The City of Cagayan de Oro, through the laudable efforts of Mayor Moreno, promised to build more schools by his administration through the Local School Board in order to answer the 500-classroom shortage which was not prioritized over the past years. Mayor Moreno shows his support for education by giving his best efforts in the projects related to education which he implemented in his administration. With the support from the stakeholders and the efforts of our government for this program, the dream of a brighter future will soon be achieved.
